

DESCRIPTION OF THE PRODUCT

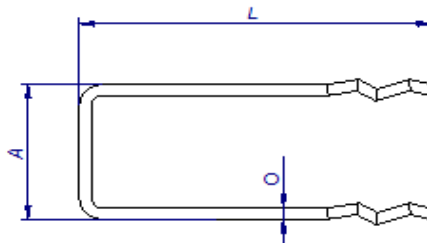

GD Lintel hooks anchor the bottom layer of the lintel. The GD Lintel hook prevents the detachment of the first course of the lintel. The lintels have to be placed in the vertical joints after the masonry reinforcement, Fisufor.

100 units per bundle

DIMENSIONS (values in mm)

REFERENCE	WIDTH (A)	THICKNESS (O)	LENGTH (L)
GD 44	38	3	44
GD 84	38	3	84
